

# ***AFFILIATION POLICY***

## ***season 2018-2019***

---

For an establishment/club to be a member of Curling Québec (and Curling Canada) it must signify its intention by completing the appropriate form and by paying the basic rate for Club Affiliation of 400\$ (plus taxes) before December 15<sup>th</sup> or 500\$ (plus taxes) after December 15<sup>th</sup>. Following that, the establishment/club engages to collect membership dues of 20\$ (plus taxes) for each Adult Regular Curler and 10\$ (plus taxes) for each eligible Junior Regular Curler. In brief, each establishment/club acts as an agent of Curling Québec (CQ) to collect membership dues and personal information required of all Regular Curler. To accomplish this, establishments/clubs must use the excel file provided by CQ for the management of their membership.

The invoicing will reduce the administrative work for all.

CQ asks that establishments/clubs clearly indicate on their request for the club's membership that CQ's membership is included. This will avoid any Regular Curler claiming that he (she) was not aware or that they did not request joining the federation.
